I have put in several sick calls to find out

whats been going on with my stomach. Nurse

3

nurses and P.A's at Knox city jail have not really done much of any thing to try to figure out what has been going on. Every-time I have put in sick call after sick call. they only take my blood every time and never tell me what the test results are. They don't seem to be concerned with what has been going on with me. nurse leslie told me it was from my Hep C even tho my liver is on the opposite side of my body, and he also suggested that it could be acid reflux which neither of them causes bruising. Since then I have had to put in more sick calls and all they have done is taken more blood from me without telling me what is going on. After my last sick call they moved me from KCJ to the detention facility so medical can try to figure what is going on with me and all the other issues I have had since all this has happened.

V. RELIEF

(State BRIEFLY exactly what you want this Court to do for you. Make NO legal arguments.
